Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The present application includes five inventors, with four of the five providing an executed Declaration. Applicant's attorneys have corresponded with inventor Hemant Mody with regard to the necessary Declaration. However, to date, inventor Hemant Mody remains a non-signing inventor. According to a July 22, 2004 email from the inventor's attorney Scott Lucas at the law firm of Martin, Lucas & Chioffi, LLP, it is understood that Mr. Hemant Mody will not be signing anything at this time. Therefore, Applicant's attorneys respectfully submit that all evidence points to inventor Hemant Mody's refusal to sign the necessary Declaration.

As evidence of the diligent efforts made to obtain an executed Declaration from inventor Hemant Mody, attached to this petition is a Declaration of Applicant's attorney David Arnold.

Additionally, attached hereto are copies of the Declarations executed by the four inventors who returned signed copies of the Declaration with unsigned signature blocks left blank to indicate that these inventors have signed on behalf of the unavailable inventors in accordance with MPEP 409.03(a).

This petition is also accompanied by a Fee Transmittal indicating the inclusion of a \$130.00 fee in accordance with 37 CFR 1.47(a). However, in the event the Commissioner of Patents deems that any additional fee is required in connection with this application, Applicants' attorneys authorize that such fee be charged to Deposit Account No. 06-1130. Please direct any inquiries to the undersigned.

In accordance with 37 CFR 1.136(a), a petition for extension of time for one month from July 21, 2004 to August 21, 2004 and the requisite fee is included. The Commissioner is requested to grant a petition for that extension of time that is required to make this response timely and is hereby authorized to charge any additional fee for such an extension of time or credit any overpayment for an extension of time to the above-identified Deposit Account.

Respectfully submitted,
